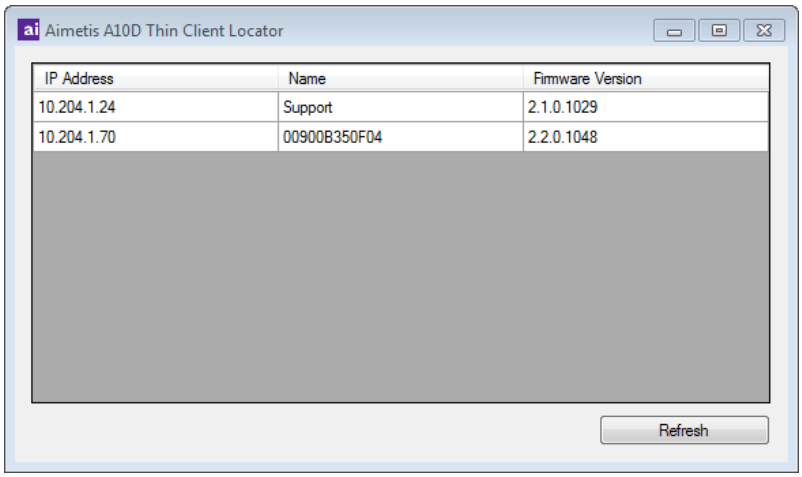
A10D Thin Client™
Locator Instructions

Instructions

1. Download the Aimetis **Thin Client Locator - Windows Executable file** from the Xnet downloads page: https://www.aimetis.com/Xnet/Downloads/ThinClientUpdate.aspx
2. Save the file on your machine.
3. Run the Locator. (Double-click the **ThinClientLocator.exe** file.)
4. The application opens and displays the IP address, name, and firmware versions of any Thin Clients it locates.



5. You can now use your Internet browser or your Thin Client remote app to connect to these Thin Client devices by using the IP address. Once you connect to a Thin Client, you can configure it.
